

**Chapter 38 is excited to announce our sponsorship opportunities for 2025!**

*What can a sponsorship with IRWA do for your company?*

Sponsorship of Chapter 38 will allow your company a unique opportunity to showcase your services to hundreds of professionals in all facets of the right of way Industry.

As a sponsor, the money you donate will go directly back to the members, not just reducing the cost for the member classes, and luncheons but also to directly supporting the growth of your chapter by investing in our right of way professionals, helping them become valuable members and develop into great chapter 38 leaders!

*There are a limited number of sponsorships available. The top three sponsorships levels are **Platinum**, **Gold**, **Silver** and **Bronze**. This will be first come first serve.*
